

COLOR PLUS PROGRAM

Premier Industrial Supply, Inc. now offers custom color matching and filling of virtually any color whether an Industry standard or a custom color. This is making Premier a dominate leader in the caulking & sealant industry.

CUSTOM COLOR MATCHING

While it is common to find immediate availability of stock, on the rare occasion that your color is not a stocked item, we would be glad to custom mix it in quantities lowest in the industry. Our specialized custom coloring process and mixing equipment assures that our sealants will be a perfect match each time. Simply send us a color swatch, substrate match or paint chip and we will custom mix your color.*

Custom Color Matching is available for the following products:

- XtraBond® 9500 Modified Polyurethane Sealant
- XtraBond® 50 Siliconized Latex Sealant
- XtraBond® 450 Neutral Cure Silicone Sealant
- XtraBond® 150 RTV Mildew Resistant Silicone Sealant

Computerized Color Matching

In-House Color Mixing

HIGH SPEED CARTRIDGE FILLING

Our new high speed cartridge filling equipment enables Premier to react quickly to our customers while forecasting plenty of growth. Our Company packages all the XtraBond® Products and will also entertain custom packaging should your company require its own brand. Quick clean and change over, with multiple hose and press configurations allows for precision filling while keeping our processes efficient, including low volume filling runs.

EXPERIENCE YOU CAN COUNT ON

With over 25 years of combined experience in liquid dispensing and packaging, Premier ensures top quality packaging for all of our products. Premier Industrial Supply specializes in filling sealant and caulking materials into both plastic and fiber cartridges. With our technical staff, technology, and state-of-the-art packaging and manufacturing facility, Premier provides our customers a single source, one stop shop capable of meeting their ever changing and unique needs.

High Speed Cartridge Filling

**A minimum order of 1 case (24 cartridges) per custom color. Custom colors, after your approval of the color, are non-returnable.*
